

# BI-NATIONAL FRINGE

San Diego International Fringe Festival is excited to be partnering with its Sister City, Tijuana, Mexico - as we present the only Bi-National Fringe Festival in the World!

**PASAJE RODRÍGUEZ**  
 Zona Centro Avenida Revolución  
 Between 3rd & 4th St.  
 22000 Tijuana, B.C., Mexico  
 You can enter El Pasaje Rodríguez  
 from Avenida Revolución or Avenida  
 Constitución between 3rd & 4th Streets.

**17** Pasaje Rodríguez was built over the site of a famous casino where Hollywood royalty thru the 30's came to play. It is now a popular destination for local and international theatre, music, dance, and art, with artisan crafts, food, craft beer, and coffee shops lining the walkway. Just two blocks north of Caesar Restaurant, home of the famous Caesar Salad, it is the unique open arcade running the middle of the block where our two Bi-National performance venues are located: La Caja Fuerte and Estación Teatro.

**• LA CAJA FUERTE**

Originally named as the "Foreign Club," after the famous prohibition hangout in Tijuana, it was home for over ten years to Songwriter's Hall of Famer Willy Clausen, who posted at the door "Amigos del Arte. Willy's. Come in!" After his passing it continues honoring Clausen's legacy and contributions and is now named for the bank safe left from the casino days that was too heavy to move, La Caja Fuerte: a transformable, accessible community open space in El Pasaje, it is booked for raves, parties, poetry readings to mini-concerts, dance groups, exhibits, conferences and, THE FRINGE! - <https://www.facebook.com/pg/lacajafuertetj/about>

**• ESTACIÓN TEATRO**

Estación Teatro is an independent cultural space created by local Tijuana artists that focuses on the performing arts and cinema with a coffee shop next door that is run by the artists. It is a theatre that creates a unique full stage experience for performer and audience alike because of the intimate proximity of both in the small space: a tiny jewel that shines brightly when the lights go up, Estación Teatro has a long history of contributing to the arts and artists in Tijuana and now, the FRINGE! - <https://www.facebook.com/pg/estacion.teatro.9/about>
